

Announcements

1/15/2011

By Dave Brunsting

Prefect, Michiana Rocketry

Hope all is well with you and yours after the holiday season. Here is some news to get the 2011 rocketry season off to a good start:

1. PayPal buttons are finally on the web site! Thanks to Derrick Adams and Larry Koskie for all of their help in making this a reality. Not only can you pay your 2011 dues but donations can also be recieved via PayPal.
2. Membership dues! Be sure to get your membership dues paid up for 2011 soon. After the January launch we will be updating our member roster and those that have not paid will not be getting these awesome announcements any more.
3. Don't forget! All regular monthly launches are now Saturday only launches. The web site will be updated in the very near future to reflect this change. If the weather is bad for Saturday we will likely move the launch to Sunday.
4. On February 5th Michiana Rocketry will be traveling to the Saint Joseph Public library in South Bend to set up a display for "Science Alive" which is geared toward students from kindergarten through eighth grade. Over 4000 people will be attending and this will be a great opportunity to represent our hobby to a lot of people. If you would like to help with creating displays or attending please respond to this email ASAP.
5. According to the club bylaws article 5.A, we are supposed to have at least 3 people on the "board of directors" at all times. Further down that article in 5.D "non-officers" can be appointed by the rest of the board. Larry Koskie and I have agreed on our third board member in an advisory role. We welcome Dave McVeigh to the board as our "ideas" man. He has already proven capable in this category with the addition of the "Rokit Bukit" idea for our launches.
6. The membership drive is on right now. Get a new member or someone who hasn't been a member for the last three years to sign up and you get to fly for free at one launch. You could fly free for the rest of the season.
7. Lastly, don't forget about about our launch on 1/29 of this month. Be sure to keep an eye on your emails for details!
